MEMORANDUM FOR: Director of Personnel

SUBJECT : Supergrade Position for Chief, Support Staff, NPIC

1. The attached memorandum from the Executive Director, NPIC, was prepared as a reclama to the earlier recommendation of the Deputy Director of Personnel for Plans and Control that the Chief, Support Staff, position be retained at the GS-15 level.

2. It clears up the previous misunderstanding regarding the possibility of merging the NPIC/PPB and Support staffs and clearly separates the PPB and Support duties and responsibilities. The organization of NPIC regarding PPB and Support is consistent with other elements of the Agency where these functions are separated. It is my understanding that now the PPB staff does not have any functions which properly belong in the Support Staff.

3. The size and complexities of the Support function in NPIC prompted me to assign a supergrade incumbent to be Chief, Support Staff. I concur in [redacted] recommendation to classify the position of Chief, Support Staff, NPIC, as GS-16.
